

# EBHS EAGLE BUTTE HIGH SCHOOL

The following are the school supplies that are suggested for each student in high school. Please keep in mind that depending on the electives chosen, there may be some supplies over and above this list that are required.

## Essential Supplies:

- Backpack
- Binder, preferably zippered with a Chromebook pocket for their device
  - Leading options include the **Case-it Universal Zipper Binder** (fits up to a 13-inch device) and the **Five Star Zipper Binder with Removable Padded Case** (fits up to an 11-inch device).
- Binder Dividers
- Pencil case & Pencils/Extra Pencil Lead for Refillables, Pens
  - Several pencils are needed. Know yourself - if you're prone to losing them, please purchase many pencils.
- Erasers
- Index cards to make flashcards, and pocket organizer (both available at Dollarama)
- Highlighters (2 colours minimum)
- 2-3 White Board Markers (prefer Expo - erasable and durable)
- Loose-leaf paper
- Graph paper for mathematics
- Lined notebook(s), prefer hold punched
- Refillable Water Bottle
- Gym clothing and athletic shoes for physical education

## Technology:

- School-issued Chromebook & charger, to be brought to school each day fully-charged
  - Grade 10 students are issued a Chromebook and keep this device throughout their high school career, turning it in at the end of Grade 12 or if/when they choose to leave our school
- Scientific calculator (depending on math and science courses chosen, see graphic below)
  - Please remember spare batteries for calculator &/or charging device if rechargeable

## Recommended Supplies:

- Ruler
- Sticky notes
- White-out tape
- Scissors
- Pencil Crayons

## Personal Supplies:

Due to our location and the often lengthy commute times for parents/students, we recommend having at least the following items at hand.

- A change of clothes, to keep in locker for just-in-case
- Personal hygiene items: Deodorant, Feminine Hygiene Products, Band-aids, Pain Killers (such as Tylenol, Advil, etc.), allergy medication, etc.

### Managed Medications

If your student has a prescribed medication that requires refrigeration or management, we can create an individual medical kit for your student. Supplies like insulin, inhalers, EpiPens, etc. can be stored with us at the Office. A form will need to be completed for students who require medication management.

## BE SURE TO BUY THE RIGHT BRAIN!

Having the right calculator is necessary to succeed in math.

### RECOMMENDED Graphing Calculators

- ✓ Instructions built into Math curriculum
- ✓ Ease of use
- ✓ Easy to clear for exams

### TI-84 Plus Family

TI-84 Plus CE

TI-84 Plus

It's the standard for success!

### APPROPRIATE ONLY IF TAKING ALL DASH-3 MATH

Scientific (e.g., TI-30X IIS)

### NOT RECOMMENDED

Difficult to clear to make legal for use in examinations

Difficult to use

No teacher support

TI-Nspire CX II

CASIO Graphing Calculator

### QUICK TIPS

- For most high school math courses, choose a TI-84 Plus family calculator.
- Check with your school or teacher if you're unsure, some models of scientific calculators (Casio, Sharp, etc.) may not be on the approved list for examinations
- Investing in the right calculator now saves time, money, and frustration later!

When in doubt, go with the TI-84 Plus family.
