**Semester:** Year-long  
**School Year:** 2025/26  
**Contact Information** Phone: 403-504-9683  
Email: danamarshall@prrd8.ca

### Course Description

**Credits:** 3

**Pre-requisites:** Aviation Structures 25

Areas of Assessment	Class Weighting (%)
Attitude	20
Safety	20
Tool Usage	20
Following Instructions	20
Attendance	20

### Course Expectations

#### ***Participation***

Students will be evaluated on their attitude and attendance to build sessions. Dress code will be enforced. Behavior problems and poor choices will have consequences. This mark will be generated in conjunction with the contracted professionals and will cover things such as attitude, proper use of tools, following instructions and being on time.

#### ***Safety***

The build is an active workshop with common workshop hazards present. Students are expected to adhere to the safety protocols described to them each day by the contracted Aircraft Maintenance Engineer.

## **Course Resources and Tools Required**

Students must provide the following supplies;

- DR SAFA clothing
  
- Safety Smock and any other PPE needed for the task of the day.
  - Talk to your teacher to ensure you're using the proper safety gear.
