

So ... you got yourself a new job! Congratulations. You are probably on this page because you want to get school credits along with your earnings. Smart! In order to do so, you need to make arrangements with an EBHS Off Campus Coordinator. He/she will set up a contract between you, EBHS and your new employer.

Now you need to document your progress. Most of the forms you need are now digitized. You can print them if you want, but these forms have been designed to be filled out on your computer, tablet or even your mobile phone. The complete package can be downloaded as a zip file, but if you have a specific need, the individual forms are listed below the zip file.
