### Course Expectations

#### ***Participation***

Students will be evaluated on their attitude and attendance to ground school sessions. Dress code will be enforced. Behavior problems and poor choices will have consequences.

#### ***Quizzes***

The assessed parts of this course will be carried over from your Ground School in-class assessments. Rewrites are not permitted. Also taken into account will be your navigation flying lessons, if you are able to get to that point during this semester.

#### ***Exemptions***

If you are unable to complete any of the requirements of this course and it is the fault of something out of your control (i.e. Transport Canada delays, etc) you can be exempted from certain portions, or deferred. Please talk to your teacher.

## **Course Resources and Tools Required**
