Course Expectations

Participation

Students will be evaluated on their attitude and attendance. On days when they are *not* flying, students will be engaged in learning to meet the competencies listed above. There will be assignments, projects and presentations assigned to ensure the competencies are met to mastery.

Flying

When the weather is good, and a plane/instructor is available, you should be using this time to fly. If you make an 8AM booking, you are there by 7:30AM *at the latest* to do your walk around.

Course Resources and Tools Required

Students must provide the following supplies;

- DR SAFA clothing
 - While at the collegiate, you must follow the SAFA dress code.
- Flight bag with full contents of training materials
- Charged Chromebook
